AROSA

Winter News 2018/19

Dear guests,

we are excited to welcome you in Arosa. This year, we start the season again with untouched skiing slopes and plenty of humor. While we celebrate Christmas with traditional meals and homemade cookies, we welcome the new year with vivid fantasies and the stories of the Arabian Nights. The fairy tale continues in January: Treat yourself to the culinary delights from several Michelin-starred chefs, enjoy the sunrise at 2500m above sea level and reach new athletic goals with our personal trainer.

An exciting winter season with many highlights awaits us and I look forward to meeting you again or getting to know you at the Tschuggen Grand Hotel.

Stefan Noll
General Manager

PRIVATE MOUNTAIN

29 November - 2 December

Head into the season - experience the untouched slopes of the Hoernli mountain as the first guests at our "PRIVATE MOUNTAIN" event. A barbecue on the mountain top and warm mulled wine make for a perfect start into the 2018-19 winter season. Together with the sounds of „DJ Gigi“ you will have the perfect view over the snow covered mountains.

The ski race with the former Swiss Ski World champion and HEAD brand ambassador Didier Cuche is the highlight on Friday. Additionally, HEAD offers a ski test of the latest skies on the slopes of the Hoernli.

In the evening, we serve you a splendid dinner at the Grand Restaurant at the Tschuggen Grand Hotel, before „The Beat Factor“ starts the afterparty.

The entrance to the Private Mountain event is included for guests of the Tschuggen Grand Hotel who booked the Private Mountain special.

External guests are charged CHF 295 (incl. lunch and Champagne).
