**Londontown – the new nail polish:** Vegan, gluten-free, without animal testing

With GelColor, **OPI** has introduced another innovation to let you keep your natural nails and still have a durable, yet soluble colour. GelColor is applied in several layers like a nail varnish and cured under a UV lamp. Tedious waiting for lacquer to dry is a thing of the past. Choose from various fashionable colours.

**OPI Infinite Shine** is a gel effects lacquer system which dries very quickly and last up to 10 days. Soak free removal.

# MASSAGES AND BODY THERAPIES

## AYURVEDA

„Complete knowledge (Ved) of life (ayus)“. Ayurvedic medicine is one of the most ancient health systems and has its origins in India. The science of Ayurveda is thousands of years old and is based on the understanding that we are entities consisting of body, mind and soul. According to Ayurvedic teachings, a fulfilled and healthy life require inner harmony and a balance of all the body's forces. Wonderfully relaxing oil massages provide a holistic treatment aimed at enhancing health, vitality and enjoyment of life.

## ABHYANGA

90 min.

240

Abhyanga is the ultimate Ayurvedic oil massage. Enjoy this massage with its lasting effects on body and soul. Using fragrant oils, sweeping and circular massage motions alternate with pressure applied to specific points to relax the body and bring it into harmony. According to ancient Indian writings, the massage has rejuvenating effects, softens and smoothes the skin and restores its radiance.

## PADABHYANGA

50 min.

CHF

160

Our feet carry us through life. Padabhyanga is also an excellent starting point for Ayurveda. Warm herbal oils are used to harmonize and revitalize your feet. Padabhyanga has a balancing effect if you suffer from headaches, nervousness, sleep disorders or chills. Marma points are activated to reawaken the flow of energy.

## SHIRODARA

60 min.

190

Come and explore new worlds. A stream of warm oil flowing over your forehead accompanied by a head massage restores harmony and relaxes the central nervous system. While warm sesame oil is gently poured over your forehead, you will fully relax.

Some treatments are not available on a daily basis as they are practiced by therapists with specialized training. We appreciate your understanding.
